Dear The Federal Communications Commission,

I urge you to support the "Fair Share Plan" as a solution to current concerns with the Universal Service Fund (USF). The Fair Share Plan will keep the USF fair, ensuring that consumers like me do not pay the same rate into the USF as big business.

I believe it would be unfair to charge low-volume and residential customers the same fees as high-volume residential or business customers.

The Keep USF Fair Coalition submitted the Fair Share Plan to the FCC on January 31, 2005. It expands who pays into the USF so that other technologies - not just phones - pay into the system.

I urge you to keep the USF fair, and adopt the Fair Share Plan.
Thank you

Nicholas Jones

Sincerely,

Nick Jones
